7	Right Guitar Cab	15	T3	23		31	
8	Bass Guitar DI	16	T4	24		32	

NOTES

We use an X32 Rack mixer with copper splitter for preset IEM. The XLR fantail is labeled correctly corresponding to this input list. We prefer IEM but can use wedges if needed.

Center Guitar sometimes uses DI or Cab depending on venue size/capabilities.
